THANK YOU FOR SUPPORTING YOUR TBSO

The first half of our season was a success. We were glad to finally see you in person once again. We continue to overcome the hurdles and restrictions put in place. We can't thank you enough for sticking by our side while we figured out how to share the music with you while keeping our staff, musicians, and you safe.

Our patrons really are the best we could ask for. You have shown your support by donating, viewing our live-streamed concerts, and spreading the word to your friends and family around the world. You are noticed and you are appreciated!

We look forward to planning our next season and hopefully seeing you face to face very soon.

Stay healthy and happy!
